

CricRecord: The Smart Cricket Scoring App

Streamlining scorekeeping for cricket academies and teams.

Harsh Jadhav 21

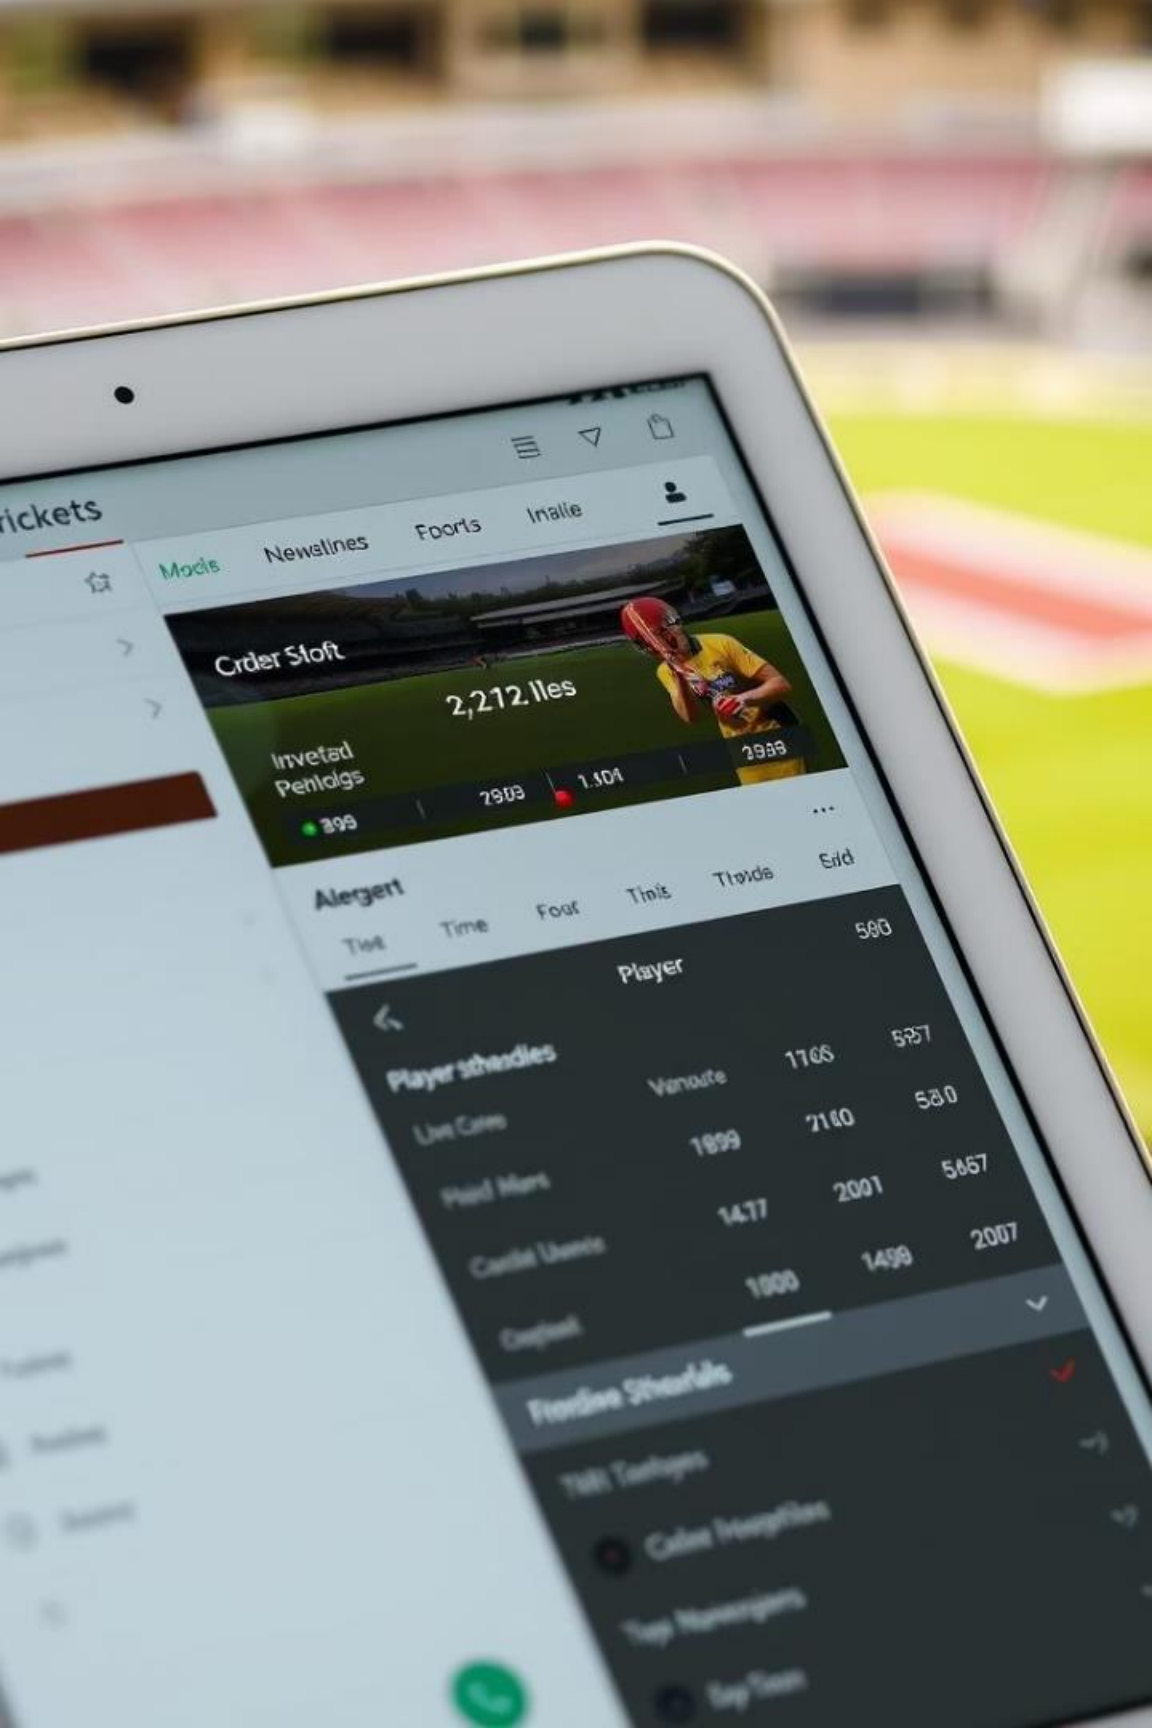

Challenges in Cricket Scorekeeping

Traditional Methods

- Time-consuming manual processes
- Prone to human errors
- Lacks efficient tracking tools

Traditional pen-and-paper scorekeeping can be improved.

CricRecord: Digital Scoring Assistant

Intuitive App

Replaces manual methods with a smart app.

Real-Time Capture

Captures runs, wickets, and statistics.

Maintains History

Maintains match history for future analysis.

Key Features

Profile Management

Manage player, coach, and manager profiles.

Team Creation

Easily create teams and assign players.

Match Recording

Record runs, wickets, and custom statistics.

CricRecord Workflow

Input

Create profiles, set up teams, prepare for scoring.

Process

Record match data with automated analytics.

Output

Insights on performance and match history.

Match Recording Made Easy

- Simple interface
- Captures live match events
- Record data like runs, wickets, extras

Data capture for live match events made easy.
